

Introducing Microsoft Viva Learning

Empowering people to learn and grow within their daily workflow

Why does learning at work feel like a chore? It doesn't need to, and it shouldn't. With Microsoft Viva Learning we're removing the traditional obstacles to a true learning culture – and we're just getting started.

See how we're revolutionizing learning and growing at work with [Viva Learning](#).

Employees who see good opportunities to learn and grow are **3.6** times more likely to report being happy compared to those who don't¹

94% of employees say they would stay at a company longer if it invested in their learning and development²

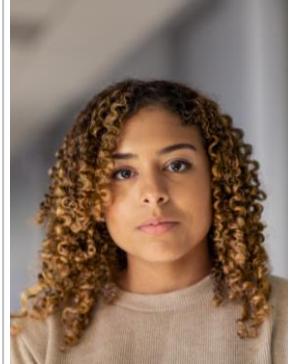

79% of CEO's say talent and skills of their workforce is their number one issue³, meanwhile employees spend only **1%** of their workweek on formal learning⁴

86% of top-performing companies reported that digital training programs boosted employee engagement and performance⁵

80% of learning at work is social – it happens via on-the-job interactions with peers, teammates, and managers⁶
